

Workshop: RECON models operationalised

Friday 26 March 2009

ARENA's seminar room, Sognsveien 68, Oslo

Outline

The workshop will deal with the operationalisation of the RECON models to the different research fields of the project, in view of the joint report on operationalisation of the models (due in June 2009). Each work package leader will present a draft of the contribution to this report, which will be discussed and related to other work packages.

Practical information

Participants will stay at the Rica Travel Hotel in Arbeidergata 4, at ARENAs expense. Participants are asked to cover their travel costs from their institution's RECON budget. More practical information is available at:
