How to get from Oslo Airport Gardermoen (OSL) to Hotel Continental

Oslo Airport Gardermoen is roughly 50 km north of Oslo, and the Airport Express Train (*Flytoget*) is the fastest way of getting to the city centre. The train gets you directly to **Nationaltheatret Station**, which is only 100 metres from Hotel Continental. The Airport Express Train departs every 10 minutes, but please note that the final destination of every second train is Oslo S (central station), and does not take you all the way. **Only trains with destination Drammen stops at Nationaltheatret**, departure every 20 minutes.

The travel time is approx. 25 minutes and the cost is NOK 170 (€22). Tickets are available at ticket counters and vending machines at the airport, but the most convenient option is **E-ticket**. E-tickets are purchased by credit card at card readers in the Arrival hall (before the stairway to the platform).

Electronic receipts (for reimbursement) may be printed afterwards by registering here:
